## SECURITY AS A SERVICE

We know the reason you purchase a security system in the first place is to take some of the worry out of running your business. The last thing you want to do is worry about running the security system. That is why outstanding customer service has long been one of Altec Systems' primary focuses.

With our Security as a Service Plan, our team of highly qualified engineers and support staff will manage all your security services including prevention and monitoring, remote maintenance and management. Say goodbye to clunky security processes and painful security headaches! Altec Systems will handle it all for you.

## ENTERPRISE SOLUTIONS

If you would rather manage your security system onsite, Altec Systems offers a full menu of Enterprise Solutions. Starting with a basic plan that provides service only as required, to the premium plus plan, which includes 24-hour monitoring, our team is dedicated to working with you to develop the security solution that best fits your needs and budget.

No matter what service plan you choose, Altec Systems is dedicated to providing the best customer service in the industry.
